To Whom It May Concern:

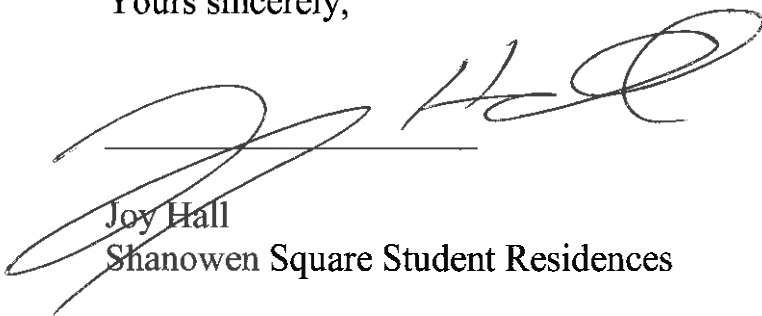

We contracted Vincent Dooley and his team to provide new carpets in approximately 140 bedrooms in our student complex.

His work was of an exceptionally high standard and his team were incredibly professional, punctual and friendly. Vincent was very flexible and accommodating when we asked to fit in an additional 10 rooms at the last minute, and the project was completed with time to spare.

The carpets look great I couldn't recommend VDF highly enough. The team is honest, polite and very good value for money.

If you have any questions regarding his work here please do not hesitate to contact me.

Yours sincerely,

Joy Hall
